

## English

### In Reading and Writing Composition we are:

- Reading and studying our class story 'Treasure Island' by Robert Louis Stevenson
- Studying how description and dialogue can develop the story and characters
- Reading and investigating the features of 'Tales of Adventure' and using strategies to build suspense in our own writing.
- Learning to proof read and edit our writing

### In Grammar, Punctuation and Spelling we are:

- Revising word class
- Revising the use of apostrophes
- Beginning to use colons and semi-colons in our writing
- Using relative clauses to add information to our writing
- Learning to spell:
  - homophones
  - words ending in -ent
  - words ending in -ence
  - words with the sh sound spelt si and ssi
  - words ending in -ant, -ance and -ancy

# Class 3

## What are we learning this half term?

### Our Christian Value is Perseverance

### Science

#### Our science topic is Forces

#### We are learning:

- To understand that objects fall towards Earth due to the force of gravity
- To identify the effects of air resistance, water resistance and friction that act between surfaces
- To recognise forces operating in levers and pulleys

## Maths

### In Maths we are learning to:

#### Ratio

- Use the language of ratio
- Use the ratio symbol
- Calculate ratio
- Solve ratio and proportion problems

#### Decimals

- Convert fractions and decimals
- Read, write and compare numbers up to 3 decimal places
- Multiply decimals by whole numbers
- Multiply numbers up to 2 decimal places

#### Percentages

- Write percentages as a fraction with a denominator of 100 and as a decimal
- Recognise and match equivalent fractions, decimals and percentages
- Calculate percentages of an amount

## PE

This half term, we are visiting Carlisle Gymnastics Club to work with the coaches on our gymnastics knowledge and skills. In school, we are developing our ability to create individual, pair and group sequences.

## History

This term our new topic is **Ancient Egypt**.

We will be studying the everyday life, beliefs and achievements of the people of Ancient Egypt.

## RE

This term our topic is '**What kind of king is Jesus?**' We will learn about the concept of the 'Kingdom of God' by exploring the parables and how Christians put their beliefs into practice.

## Computing

Our new computing unit is **Creating Media**.

We will be using online drawing tools to create layered images and pieces of artwork.

## Design and Technology

This term, we are working on a Textiles project, involving the designing, making and evaluating stuffed toys for younger children.

### Art

Our Art lessons will focus on developing our paint and collage knowledge and skills. We will explore the work of Auerbach and Hundertwasser and will create abstract collages.

## French

Our topic this term is '**Time in the city**' We will learn the name of shops and attractions in a city and how to describe these, how to buy tickets and souvenirs and how to ask for directions.
